“John Anderson has done a great job on the formulation of the products that synergistically work together. He uses only the finest ingredients and has come up with a delivery system that is by far the best. In my opinion - all the products are clean. Ionix Supreme is unquestionably the best Dietary Wellness Supplement on the market and truly the “Ultimate Anti-Stress Body-Balancing Rejuvenator” of the 21st Century. The ionic, organic minerals, herbs, adaptogens and the rare substance - “Nepali Shilajit” - from the steep cliffs of the Himalayas - that are all in this drink make this the elixir to great overall health.”
