In my 44 years as a Doctor of Chiropractic, Isagenix is the most credible and effective line of products I have ever seen. I have owned a Health Food Center for over 30 years as well, which has allowed me to personally experience and review numerous product lines. I have always heavily endorsed proper nutrition and supplementation. I am also a firm believer in the vital importance of “cleansing” to help rid the body of toxins and supplementing with nutritionals to keep the immune system strong. Isagenix meets all my personal nutritional beliefs 100%.

Many people are looking for direction and guidance in choosing proper nutritional supplementation. It is no longer a question of **IF** they should buy a product . . . they are buying health products everywhere . . . We need to educate our friends, family and other Health Care Practitioners on the **quality** of products Isagenix has to offer. Isagenix provides **POSITIVE HEALTHY RESULTS** and **is** making a huge difference in the lives of those around us.

My patients are healthier and happier with the Rapid and Safe results they are experiencing with the Isagenix “Cleansing” System. The uniqueness, quality and effectiveness is exceptional. I strongly recommend the **DAILY** use of all the Isagenix products. My wife, Jenny, went from a size 16 to a size 10 in just 2 months. She feels great, has more Energy, and looks at least 15 years younger ! She works full time in our Health Clinic and most encouragingly – she has kept the weight off for 3 years. We **ALL** need to Cleanse ~ the weight loss is a wonderful side benefit. I knew the power of cleansing . . . I just had never seen all the ingredients put together in one complete nutritional system.

The **Ionix Supreme Anti-Stress Rejuvenator** is, in my opinion, an absolute necessity for everyone. There are over 100 active nutrients in this powerful liquid which has had a tremendous impact on those consuming just 1-2 ounces daily. As a Health Care Practitioner, it is extremely rewarding for me to share these benefits with my patients. I am especially impressed with the Anti-Stress and Anti-Aging properties of Ionix ~ and how it balances and rejuvenates the body systems.

At 69 year’s young and still working full time, I particularly enjoy the extra energy, deeper rest and immune support. Ionix Supreme is **very effective**. Results are seen **quickly** and it is affordably priced.

I am very enthusiastic about sharing the superior nutritional support Isagenix offers and I strongly recommend it as a vital investment in your long-term health and well-being.
