

OUR BODY IS A MARVEL ~ BUT WE HAVE TO PROVIDE IT
WITH THE PROPER NUTRIENTS . . .
~ IONIX SUPREME FOR OPTIMAL PERFORMANCE !

I had always been slim and trim until I took a job in Toronto in June 1996 at the age of 41. Because my new job was so stressful, I went from 102 lbs to 131 in my first 6 months. Since I'm a 5-foot tall, small-boned woman, 131lbs for me meant a lot of fat.

Discouraged after months of trying to lose the extra weight in vain, I hired a personal trainer. With lots of effort and time, I finally went down to 120 lbs. Two years ago, I retired from that stressful job and decided to take better care of my health.

Even though I ate well and exercised, my weight continued to fluctuate between 115 and 120 lbs, and I lacked energy. Finally, to my great relief, I was introduced to Isagenix in June 2006. I did an Isagenix 9-Day **Cleanse** in June and went from 115 to 110 lbs and lost 9 inches. I felt fantastic. I did a second 9-Day **Cleanse** six weeks later and went from 108 lbs to 104 lbs ~ losing 10 more inches. My weight is now ideal and has remained between 104 and 105 lbs since then without effort ~ on a modified Isagenix Maintenance program to suit my lifestyle.

I am very happy with my new weight, muscle tone and energy ~ **however, my real excitement is the huge benefits I get from taking Ionix Supreme every night.** In July 2006, I went to my first Isagenix meeting and my sponsor, Sharon, brought me a bottle of Ionix Supreme to try out. That night, I drank 1 oz before bed and I slept so well that the next morning I asked Sharon to marry me (a slight problem since we're both heterosexual women) ! You might think that is a bit of an extreme reaction to Ionix Supreme's benefits, but you have to understand that I have had problems with sleeping since birth ~ 51 years ago. Because I never did sleep through an entire night, my parents sent me to be raised by a childless aunt who lived in a small village over 100 km away. Because my sleeplessness persisted for the next ten years or so, I moved back and forth between my aunt's and my family's home, changing schools, losing friends and missing my family.

Doctors gave me several different diagnoses over the years and prescriptions to accompany them. Even the Sleep Clinic at Sacré-Coeur Hospital in Montreal told me they could do nothing for me. Severe sleeplessness like mine causes all kinds of physical and mental problems (just think how you feel the day after a sleepless, restless night) ! I learned to cope with this more or less efficiently ~ assuming that I would always have to live like this.

It is such a miracle that Ionix Supreme solved my 51-year old problem so well and so quickly that all members of my family have signed on Isagenix and are reaping from the benefits of the fantastic products they offer. We're an IsaFamily !
